Dedication

To a person we admire and appreciate as a leader, a counselor, and a friend, we wish to honor with this book.

For her great sense of fairplay, her unceasing efforts to help, her high standards, we proudly dedicate this yearbook to our sponsor, Miss Barbara Jean Byrd.

Principal's Message

In this age of space exploration and nuclear weapons, we are aware of the fact that we must use our best efforts to train our minds and utilize all our resources to discover the potentialities of life. Yet we must not forget that the trained mind without the trained heart contains the elements of self-destruction. Therefore, we should endeavor to learn the laws of self-discipline, equitable justice in all our social dealings, and reverence for the Creator of the universe in which we live.

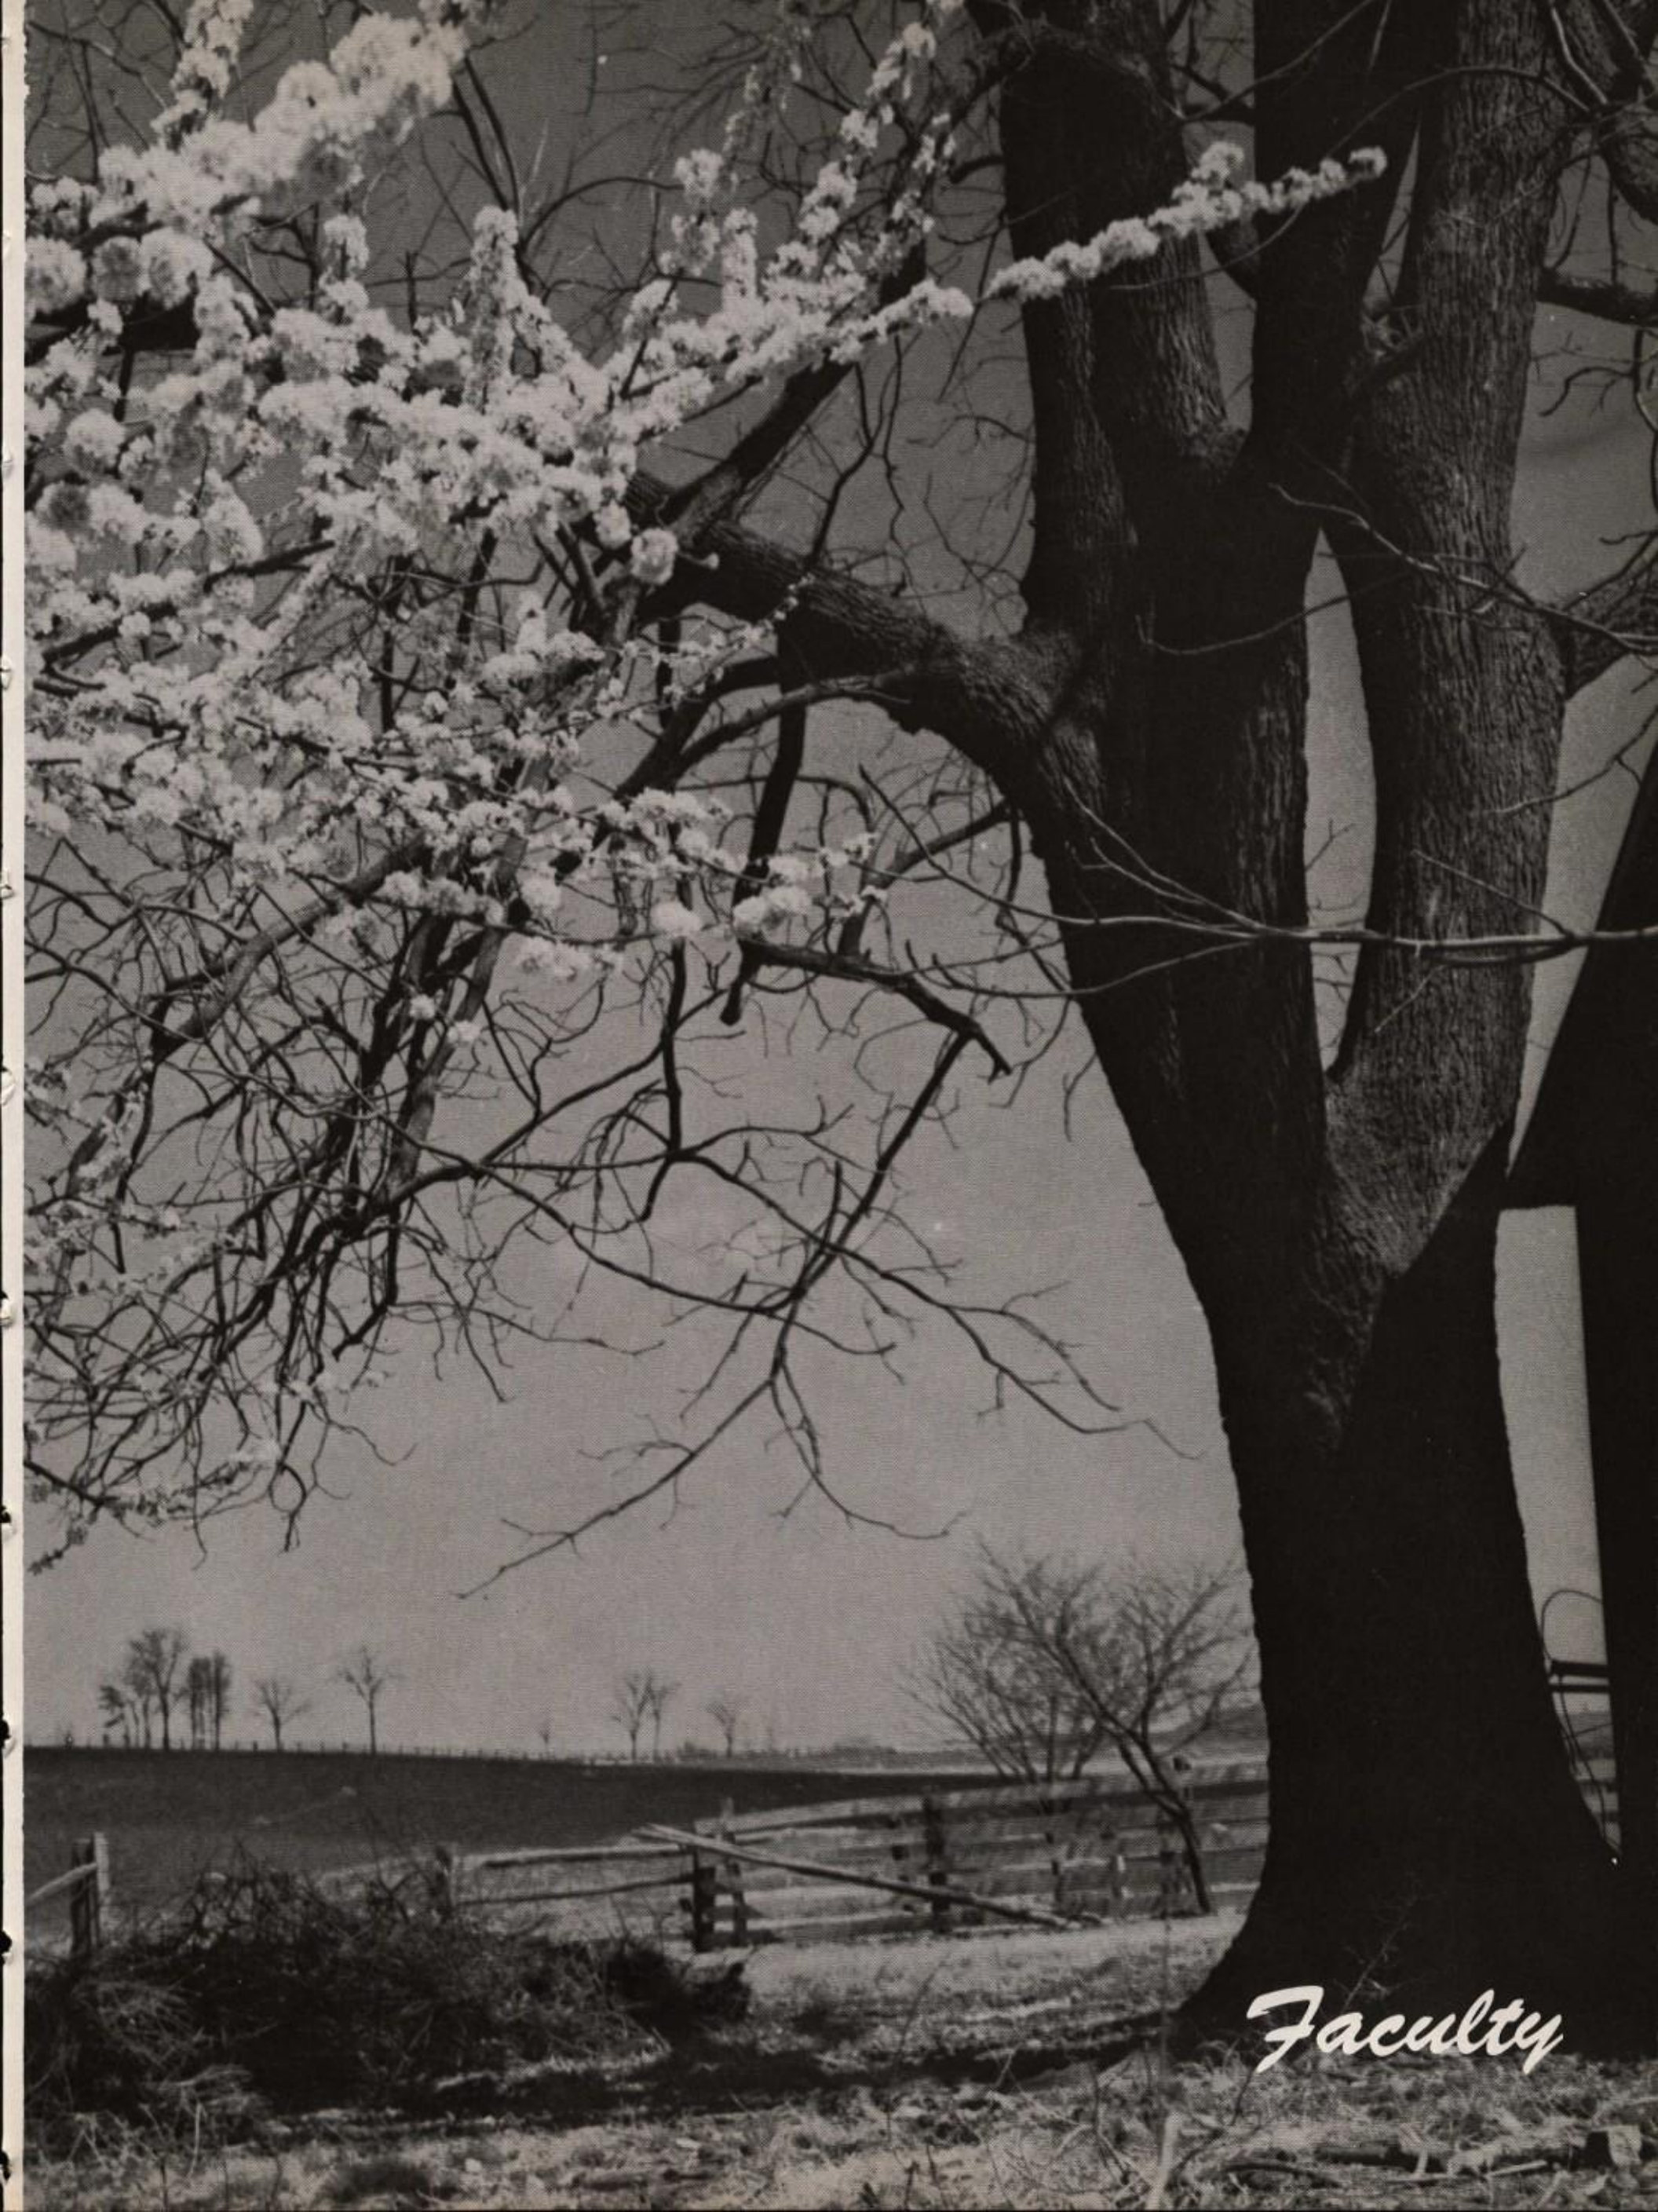

Sincerely,

Robert J. Ogden
